SARAH MARDEN CLEARY

Mrs. Cleary is retiring from the position of Welfare Agent for the Town of Newton after having served continuously since March 14, 1972.

About thirty years ago, she founded and was the first President of the Newton Homemakers Group of the Rockingham County Extension Service, an office which she still holds. She has been a member of the Rockingham County Home Economics Advisory Council since 1969 and served as President of the Council from 1977 to 1979.

For nineteen years, between 1940 and 1964, she led three different 4-H Clubs - "Happy Hours", "Golden Eagles" and "Busy Fingers".

Her late husband, James A. Marden, served as Selectman of Newton for twenty-four years.

We wish to dedicate this Town Report to Sally in appreciation for her many years of service to the Town and community.

IN MEMORIUM

During the past year, the Town of Newton lost four citizens, who, in the years past, served the Town in various capacities. We would like to recognize their service to the Town.

FLORENCE HOYT KELLY, 1896 - 1982

She was born in Newton and lived here nearly all of her life. She served as Selectmen's Clerk for several years, resigning in 1970. Also, she served as Assistant Librarian under Marion Hatch, when the Library was located at 22 South Main Street.

RICHARD S. HANSON, 1925 - 1982

He moved to Newton as a child. Dick served as Chief of Police and Constable from 1958 to 1966 and, again, 1970 through 1971.

PEARL R. WILLIS, 1893 - 1982

She was born in Newton, Massachusetts, and moved to Newton, New Hampshire, in 1915. She served the Town as Town Clerk for twenty-three years, resigning at the end of 1972. She, also, served as Library Trustee from 1937 to 1948. The 1972 Town Report was dedicated to her.

HARRY B. MERRIFIELD, 1889 - 1983

He was born in Plaistow and moved to Newton nearly seventy years ago. He served as Cemetery Trustee for twenty-three years, from 1957 to 1970.

TOWN WARRANT

1983

The State of New Hampshire Town Warrant

THE POLLS WILL BE OPENED FROM 10:00 A.M. TO 7:30 P.M.

To the inhabitants of the Town of Newton, N.H., in the County of Rockingham, in said State, qualified to vote in Town Affairs; You are hereby notified to meet at the Town Hall, in said Newton, on Tuesday, the eighth of March next, at ten o'clock in the forenoon, to choose all necessary Town Officers for the ensuing year, by official ballot, and to take other action required to be inserted on said ballot; the polls to be open at ten o'clock in the forenoon and to close not earlier than seven-thirty o'clock in the evening, and thereafter to reconvene at the Sanborn Regional Middle School in Newton, on Wednesday, March 9, 1983, at seven o'clock in the evening for the purpose of acting upon all other matters to come before the Meeting.

1. To choose all necessary Town Officers for the year ensuing. Question on Official Ballot.

2. Are you in favor of the adoption of Amendment No. 1 as proposed by petition of the voters for this Town?

Change the zoning classification from Residential A to Commercial of the property currently known as the Richards property. Deed description as follows:

Beginning at the Southwesterly corner of said premises and land of the Town of Newton; thence Easterly on said Town's land and one rod from the old cemetery wall to land now or formerly of John Hoitt; thence Northerly on said Hoitt land to land now or formerly of Frank L. Hatch; thence Westerly on said Hatch's land to land now or formerly of Crafts; thence Southerly and Westerly on said Crafts land to Main Street; thence on Main Street to point begun at, containing three acres be the same more or less.

The Planning Board for the Town of Newton does not approve of this change. Question on Official Ballot.

3. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

Amend the Zoning Ordinance for the Town of Newton to include a new zone entitled "Residential D". This zone will allow the siting of mobile homes on individually owned lots subject to all requirements of on-site constructed dwellings. This type of zone is proposed to be in two different areas of Town as follows:

(1) The area bounded by Bartlett Street on the South and West; by the Boston & Maine Railroad grade on the West and North; by Pond Street on the North and East; and by Whittier Street on the East and South, except at the locations of the existing Residential B Zone and Senior Citizen Residential Zone.

(2) The area bounded by Currierville and Gale Village Roads to the West and South, and by the South Hampton line to the East and North.

Question on Official Ballot.

4. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

Allow for the placement of mobile homes on individually owned lots in subdivisions specifically established for this reason. All other requirements currently placed on residential A or B dwellings will be applied in any of these subdivisions.
Question on Official Ballot.

5. Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

Change the zoning from Industrial to Residential A for a parcel of land located on Bartlett St., bounded Northerly along the Easterly line of land of the Boston & Maine Railroad. Containing 12 Acres more or less. Being the land of Edward H. and Laura L. Day, as recorded in the Rockingham County Registry of Deeds as Vol. 2216, Page 79, dated Dec. 18, 1973.
Question on Official Ballot.

6. To see if the Town will vote a twenty-five cent (.25) per hour increase for all Town employees as included in the printed budget, effective March 1, 1983.

7. To see if the Town will vote to affirm payment of all statutory fees to the Tax Collector according to RSA 72:5-b and RSA 80:43. These fees will be in addition to the salary for collecting property taxes.

REPORT OF THE AUDITORS

This is to certify that we have examined the accounts of the Selectmen, Treasurer, Tax Collector, Town Clerk, Boat Tax Collectors and the Gale Library and find them properly cast and well-vouched.

We audited the Town records for the N.H. Municipal Unemployment Compensation Fund.

We find the Treasurer, Tax Collector, Town Clerk, Boat Tax Collectors, Trustees of the Trust Funds, Deputy Town Clerk, Constable and Road Agent to be properly bonded.

We hereby certify that we have examined the accounts of the Trustees of the Trust Funds and Revenue Sharing Funds of the Town of Newton, N.H., together with a detailed statement of the receipts and expenditures with proper vouchers.

REPORT OF THE NEWTON FINANCE COMMITTEE

The Finance Committee held their annual review of department budgets and money warrant articles. As in the past, the Committee did not receive budgets from all departments. To those who did submit budgets and review them with us, we sincerely appreciate your cooperation through the process.

Hourly wage figures submitted vary from \$4.75 per hour to \$5.25 per hour. In lieu of the economic times when many of our taxpayers are not receiving increases and some are experiencing salary rollbacks, it is the recommendation of the Finance Committee that all salaries and wages be frozen at the 1982 level.

Along the same lines as the salary freeze; the Committee further recommends that all Departmental Operating Budgets be increased no more than 7% over the 1982 appropriations. We feel it is important that the Town Budget be held down as much as possible. If the 7% recommendation is followed, the \$30,000.00 Revenue Sharing Articles for offset against operating budgets will more than cover these increases. For your convenience at the Town Meetings, we have developed the chart on page two (2) of our report indicating these figures for the 7% maximum increase.

Respectfully,

NEWTON FINANCE COMMITTEE

TOWN OF NEWTON

PROPERTY ASSESSMENTS

These pages contain the names of the owners of real estate in the Town of Newton as of April 1, 1982. The assessed valuations were based on appraisals made by appraisers employed by Surveying Layout & Forestry of Skowhegan, Maine and include adjustments, corrections and additions made since the reappraisal was completed in April 1981.

Property record cards containing a description of each piece of property including the basis of the appraisal, are on file in the Selectmen's Office. These cards may be examined by any interested party.

FINANCE COMMITTEE COMMENTS ON MONEY WARRANT ARTICLES 1983

Richards Property

Amount Requested: 50,000.00
Amount Recommended: -0-

Comments: The Finance Committee feels that the price for this property is high and beyond our fiscal capability.

Renovations Town Hall

Amount Requested: 7,000.00
Amount Recommended: -0-

Comments: The plans to renovate the first floor are very well done and would provide a better utilization of the existing space. However, in keeping with our fiscal restraints policy, the Committee doesn't feel it is vital to accomplish this project in 1983. The Committee would like to see it proposed in the future.

Re-Side Central Fire Station

Amount Requested: 5,000.00
Amount Recommended: -0-

Comments: As there was no information provided that this was structurally necessary, the Committee doesn't recommend this article.

Capital Reserve Police Vehicle

Amount Requested: 3,000.00
Amount Recommended: 3,000.00

Comments: We feel that a Capital Reserve Fund is good fiscal management and long range planning.

Radar Unit

Amount Requested: 2,200.00
Amount Recommended: -0-

Comments: The Finance Committee doesn't recommend the passage of this article as it still feels it is not a necessity.

Bancroft Road

Amount Requested: 7,500.00

Amount Recommended: 7,500.00

Comments: The Committee feels this road situation should be taken care of. However, it recommends that work of this nature be included in the Highway Department Budget in the future.

Modification - Air Packs

Amount Requested: 3,000.00

Amount Recommended: -0-

Comments: The Committee agrees to the need to do this work, however, they feel it should be part of the Equipment Repair and Maintenance contained in the Fire Departments Budget and have so recommended this in past reports.

Capital Reserve - Fire Apparatus

Amount Requested: 15,000.00

Amount Recommended: 10,000.00

Comments: The Committee feels that Capital Reserve Funds are good fiscal management, however, the current \$10,000.00 annual figure is sufficient for the Department's plans.

Fire Department - Tank Truck

Amount Requested: 70,000.00

Amount Recommended: -0-

Comments: At this point in time, the Committee doesn't feel that it is vital that we purchase this vehicle in 1983.

Rockingham Planning Commission

Amount Requested: 2,167.20

Amount Recommended: 2,167.20

Comments: The Planning Board advises that the Commission provides a great deal of technical assistance to the Board for the benefit of the town. We accede to the judgment of the Planning Board regarding this article.

Greater Raymond Community Action Center

Amount Requested: 874.00

Amount Recommended: -0-

Comments: As in the past, the services provided are largely Federally Funded and must be provided with or without a contribution from the town.

Rockingham Child & Family Services

Amount Requested: 902.00

Amount Recommended: 902.00

Comments: The Committee recommends the appropriations for matching funds for services provided to Newton Resident.

Exeter Area Visting Nurses Association

Amount Requested: 3,842.00

Amount Recommended: 3,842.00

Comments: The per capital request of \$1.15 has been stable since 1977, while the number of residents increases to a total of 109 serviced in 1982.

Newmarket Health Center

Amount Requested: 450.00

Amount Recommended: 450.00

The center continues to provide transportation services for Newton Senior Citizens.

Police Department - Second Full Time Officer

Amount Requested: 13,500.00

Amount Recommended: -0-

Comments: The Committee doesn't feel that we can fiscally afford to increase our Police Staff this year.

Police Department - Second Shift

Amount Requested: 7,000.00

Amount Recommended: ?

Comments: Whereas, the position of Chief of Police remains open at this writing, the Committee feels they do not have sufficient information to make a recommendation.

Police Department - New Cruiser

Amount Requested: 7,645.00

Amount Recommended: 7,645.00

Comments: The Police Department currently has \$6,000.00 plus interest in their Capital Reserve. It is anticipated that the required engine replacement in the 1978 Buick will be \$1,500.00 in itself. It makes better fiscal sense to put \$1,600.00 into a new vehicle in conjunction with the Capital Reserve Funds than to put the same dollars into the older vehicle.

REPORT OF THE TRUSTEES OF GALE LIBRARY - 1982

Thanks to the support of townspeople, the Gale Library is weathertight and good-looking, with a new roof and vinyl siding installed in the summer of '82. The Friends of the Library's generous donation of \$1,000 made it possible to blow insulation into the Library walls before the siding went on.

The other major change in 1982 was the move of the young adult area upstairs to the Marion Kalashian Room. Shelving lines the perimeter of the room, three long tables provide plenty of study space, and games, puzzles and a special junior bulletin board make this a warm, inviting room for study or for meeting friends after school. Jean Grogan and Irene Nally were asked by the Trustees to be jointly responsible for the area - they are doing a marvelous job.

Plans for 1983 include budgeting for ten additional hours of staff time to cover both floors of the Library during busy times. Average usage of the Library increased from 25.5 people per day in September, 1981, to 32.6 people per day in May, 1982 - a 27% increase.

The Trustees are also requesting an additional \$5,000 to be added to the Capital Reserve Fund started last year. Given Newton's growing population and increased Library usage, an addition to or renovation of the building will become necessary in the future.

This report would not be complete without an expression of our thanks to many wonderful people who gave their time so generously this year. The Friends of Gale Library sponsored many activities: the Book and Bake Sale, the Road Race, and the Goods and Services Auction, the proceeds of which helped furnish the insulation already mentioned, as well as a spirit duplicator, a card catalog and cards, and additional shelving for the young adult room. Thank you, Friends!

Thank you, Newton Lions Club, for your unceasing Library support. The three pancake breakfasts were fun, and added about \$200 to the Lions' Trust Fund to benefit the Library.

Thanks also go to the many "movers" who formed a human chain to move the young adult area upstairs in September.

And our sincerest thanks to Nancy Marden and the rest of the staff and volunteers for making 1982 such a great year.

Just as all the books at the library are varied, so was the year 1982. It was a very good year in all aspects. Media circulation increased by 1312. New library card holders numbered 218. Our staff began to plan for the Young Adult move to the second floor, believing most of the physical moving would be done during our normally quieter summer months. Our best laid plans were set aside and patrons kept the staff serving their needs all summer long. At no time in our history has the summer circulation been so high.

The State Bookvan made one visit this summer, leaving their selections for six months. Fortunately, our budget allows us to satisfy most needs for current materials. We also used interlibrary loans as needed.

Our membership in the Merri-Hill-Rock Cooperative has given us more financial gains in 1982. We were able to increase our book purchase discounts by an additional 6% for trade editions (the majority of our purchases), as well as free delivery from the major jobber.

An outstanding effort has been made to serve the commun-

ity needs by service, equipment loans, facilities availability and many volunteer hours by library friends... The Friends of the Library coordinated the Toddler Tales, Friends Clean Up and Plant Days, Book, Bake and Rummage Sale, Road Race, Goods and Services Auction and Santa's Visit. They worked with the staff at the Book Repair Workshop, Circus Day, Storyhours at NCYP and for the Toddlers during the summer. Their efforts are acknowledged and appreciated by our staff, trustees and patrons. Our various facilities and/or equipment were enjoyed by the Brownies, American Cancer Society, Historical Society, Little League Coaches, Skimobile Clubs of Newton and Kingston, Home Extension Groups, Girl Scouts, Packer Meadows, Newton Jct. Ladies Auxiliary, Bodywise, Fire Dept. and Rescue Squad.

Our cooperation has been growing between the schools and library. We supplied movies for the PTO Fun Fair, hosted First Grader's Visitation and Registration Day and held a Teacher's Tea to acquaint all teachers with our new Young Adults Room and study area.

The Newton Lion's Club has been our benefactor again this year with additions to a special fund created for the library.

Staff meetings were held quarterly to develop smooth operational procedures. National Library Week highlighted our volunteers this year. Representatives went to the N.H. Library Conference in May. Betsy Eaton served as Treasurer to the N.H. Library Trustees Assoc. and hosted the officers of the organization at a meeting held in the Marion Kalashian Room this summer.

The variables of 1982 were not to be outdone by the community service programs, but our programs are certainly varied. Tom McElroy hosted our "Evening with Seedlings"; students and instructors from NECCO with Sign Language; CPR Recertification; Summer Reading Program; Little Red Wagon visitation; YA Open House; Tree Trimming and Newton Week with slides numbering over 300 brought our year to a full and very complete close.

Listing every donation of time, money, gifts and encouragement will be impossible, but I do acknowledge your generosity and thank you for your support. See you at the library....

Librarian

NEWTON FIRE DEPARTMENT

To the Residents of Newton, N.H.:

YOUR WORST ENEMY!

I am more powerful than the combined armies of all the nations.
 I have destroyed more men than all the wars of time.
 I am more deadly than bullets, and I have wrecked more homes and families than the mightiest of guns.
 I massacre thousands upon thousands of wage earners in a year.
 I am relentless - I am everywhere in the home - basement - living room - kitchen - bathroom - bedroom.
 I spare no one, I find my victims among the rich and poor alike, the young and old, the sick and the blind, the strong and the weak, widows and orphans know me.
 I bring sickness, degradation, and death, and yet you wait to avoid me.
 I steal in property alone, over \$1,500,000,000.00 every year.
 You are warned against me, but you heed not.
 I give nothing, but take all.
 I am your worst enemy - I am FIRE!

SHRINERS BURN INSTITUTE MESSAGE:

(The best treatment for a burn is prevention.)

The same is true of any accident or fire.

Japan has a record of 5.1 fires per 10,000 people.
 U.S.A. has a record of 129 fires per 10,000 people.
 Newton's last year's record was 75 fires per 3,200 people.
 We all have an opportunity to improve on this record in 1983!

Make an effort to prevent fires around your home and at work.
 Install and properly maintain smoke detectors to warn you in the event a fire does start.

This year, in March, at the Annual Town Meeting, we will be asking your consideration and support for the purchase of a new fire truck. It will replace a 1941 vehicle that has served the Town for 42 years. It can be mostly paid for with money that has been set aside for this purpose in the Capital Reserve Fund. I feel it is much needed and ask your support for it.

 Roland Estabrook, Fire Chief

REPORT OF ANIMAL CONTROL OFFICER

1982 proved to be a busy year for the animal control department in Newton. 501 dogs were finally licensed for 1981. This exceeds any number previously licensed in a given year. As of December 31, 1982, 441 dogs had been licensed for 1982 with approximately 125 known dogs in Town remaining unlicensed. The Board of Selectmen are presently undertaking the same type of effort as last year to license all dogs. That 1981 effort resulted in the issuance of 29 summonses to District Court. Those owners summonsed were found guilty and fined substantial sums.

The second Annual Newton Rabies and Licensing Clinic was held Saturday, April 24, 1982, at the Memorial School. The event, providing a licensed veterinarian to administer rabies vaccinations and the Town Clerk to issue new licenses, was well attended. Volunteers from the Newton Community Youth Program assisted. Proceeds from the event were donated to the Newton Community Youth Program.

On June 25, 1982, Dr. Steven Westland from the New Hampshire Department of Agriculture paid a surprise inspection visit to the Newton Town Kennels at Centurion Farm (the animal control officer's home). Dr. Westland found the kennel to be "outstanding" in all areas inspected. Subsequently, a state kennel license was issued to the Town of Newton.

Despite the fact that the Animal Control Officer picked up 172 unrestrained dogs during 1982, town residents are becoming increasingly aware of the leash law in Newton. With the exception of a few trouble spots, residents are keeping their dogs restrained. Those who fail to keep their pets at home have found substantial penalties involved. When there are frequent complaints regarding dogs running loose in a particular area, patrols by the Dog Officer are increased. Any resident bothered frequently by dogs running unrestrained is urged to contact the Animal Control Officer. Your cooperation and assistance in 1982 has been appreciated. I look forward to an even better year in 1983.

REPORT OF NEWTON RECREATION COMMISSION

The Newton Recreation Commission started its season with the traditional Memorial Day Parade. Parade Marshall was L. Scott MacDonald, Smith Corner Road, Newton. We had a good turnout, and are looking forward to an even larger group this year. Part of the success was due to the amount of work put in by the select-people, and the ever guidance of Horace Williams. Thank you, Horace, for giving us assistance over the years in lining up the parade.

A six week swimming program was offered at the Town beach for different age groups. The children received lessons three times a week under the direction of Julie Richard and aide, Andy Richard. The classes were very well attended. This was due in part to the hours of dedication on the part of Ginny Bartlett, who although had resigned, came back to help the commission by running this project. Thank you Ginny!

A tennis program was offered for children and adults. Little interest could be aroused among the Town's people, but we will try again for this summer. A tennis clinic will be held this Spring, in hope of generating a desire to play tennis.

The Recreation Commission has not run the summer youth program on Heath Street for the past two years, but feels a financial responsibility. Therefore, the amount of money it would have spent is given to the N.C.Y.P. toward the running of the program at Sanborn Regional Middle School.

Vandalism was heavy - seven picnic tables were demolished, the chain link fence around the tennis court was cut, the basketball posts were broken in half and the basketball nets and rims were damaged.

I want to thank my staff for their help this past year: Leslie Hollinrake, Secretary; Nancy Hollinrake, Peter Eaton, the Select-people.

Respectfully submitted,
Brian C. Cheney

BUS TRIP FOR ELDERLY

On July 22nd twenty-seven residents of the Town of Newton went by van to Boston where they boarded the boat for Gloucester. Although the weather was on the rainy side, the trip was enjoyed by all. One hundred sixty-eight dollars was used to pay for the two vans and the rest, two hundred thirty-two dollars, was given to the senior citizens to help defray the cost of the boat trip, which was nine dollars and fifty cents each.

Thank you to the Town of Newton!

NEWTON PLANNING BOARD REPORT - Year Ending 1982

The Newton Planning Board held 25 meetings, 7 of which were Public Hearings, 10 regular meetings and 8 work sessions. The Board meets the second and fourth Tuesday of the month at 22 South Main Street.

These were three plans signed for recording purposes only. Five plans presented and approved for subdivisions were signed and a total of ten lots released. One subdivision remains with tentative approval.

The Board worked with the Industrial Commission to finalize the Warrent article to rezone an area in the southeast corner of Town for industrial use, which the Town's people adopted in March.

Also, the Planning Board worked on an adopted Excavation Regulations for the Town effective as of October 26, 1982.

The Board worked on and prepared three Warrant articles. A proposal was presented to the Board to rezone the Richards property at 6 South Main Street from Residential A to Commercial. The Board is not in favor of this proposal and it must pass by a 2/3's Vote of the Town.

Edward Day presented a proposal to rezone the property on Bartlett Street, being 12 acres, from Industrial to Residential A.

With extensive help from Southern Rockingham Regional Planning Commission the Board will present two proposals for the Town's people to vote on in March in order to comply with State Law for the allowance for Manufacturing Housing in Town.

All of the meetings are open to the public and residents are asked to attend our work sessions to express their concerns and give opinions as to the direction they would like to see the Board take for the best interest of the Town, with regard to such questions as zoning, growth, development and regional involvement.

NEWTON CONSERVATION COMMISSION ANNUAL REPORT

The Newton Conservation Commission meets monthly on the first Thursday at 7:30 p.m. at the old Gale Library building, but its work does not end there.

1982 was a busy year for the commission as it has been overseeing the cutting and selling of over 100 cords of wood, making a study of and attempting to prepare information on the gypsy moth problem, reviewing dredge and fill applications, conducting its usual tree replacement program, sponsoring a cross-country ski meet, attending seminars and programs of other conservation concerned organizations, working with the Regional Planning staff in preparing a map of all publicly owned property in town, meeting with selectmen on various issues such as roadside spraying, land surveys, etc., learning about the new septage regulations, meeting with the cemetery trustees to seek possible locations for a new cemetery, and sponsoring the spruce-up clean-up day in April.

Wherever possible, Conservation Commissions should attempt to involve residents in their programs. In the past, most of those called on, especially the young people, have responded well, and this year we hope to involve a number of youngsters in a reforestation project.

ANNUAL REPORT OF YOUR ROCKINGHAM PLANNING COMMISSION

Much of the legislation passed in the 1981 session of the General Court will have an impact in areas greater than individual towns are prepared to cope, i.e. hazardous waste and disposal of septage. The Regional Planning Districts are working at keeping their member towns apprised of these changes and helping to coordinate activities. No one town needs to cope with all of these responsibilities and a "fair share" plan needs to be developed.

Having served as State Vice-Chairman of Regional Planning Commissions, I have seen the beginning of encouraging activities in Washington to recognize rural areas. So many federal laws have been geared to the "huddled masses" in cities and unneeded programs are forced on small towns. Through the R.P.C.'s, our voices are being heard.

On the more local level, we have received help in preparing maps of all publicly owned land in town, evaluation of compliance with new housing laws, studying tax impact of industrial development, preparing composite map of roads to help identify the location of specific soils.

A proposed program for the future is a cooperative purchasing agreement whereby several towns can work together to obtain lowest prices for bulk purchases. It is also expected that computer time services can be made available.

Newton received 81 hours of individual local assistance and an additional 75 hours of regional time from the Rockingham Regional Planning District.

Local governments need the R.P.C. to serve as lobbyist at state and federal levels where well financed special interests are affecting legislation at our expense.

Myrtle B. Rogers

REPORT OF THE CEMETERY TRUSTEES

This year the trustees have commenced planning a new cemetery for the town. Though there are still plots left for sale, we are anticipating the need for a new cemetery in the near future. With the assent of the townspeople in March, we will have the necessary land. The trustees hope to have this land developed by 1985.

In September we had a major theft of four hundred feet of chain from the Willow Grove Cemetery. Because of the cost, the chain will be replaced with wooden fencing.

The problem of vandalism; i.e. headstones being defaced and bottles being thrown into the cemeteries, has hampered the maintenance. However, the cemetery workers prevailed and the upkeep has been up to the standard of previous years.

Other than these problems, 1982 was a quiet year. If you have any questions about either plots or anything to do with the cemeteries, please feel free to call us. We will do our best to help you.

Respectfully,
James L. Doggett
Cemetery Trustee

EXETER AREA VISITING NURSE ASSOCIATION, INC.

1982 was a year of accomplishment for the EAVNA in spite of state and federal cuts.

HOME CARE. Two new services have been added to the Home Care Program; speech and occupational therapy. Persons confined to their homes are now able to receive these therapies at a more effective time rather than having to wait until they are well enough to leave their homes. The home health aide staff has been increased to meet the demands for assistance with personal care, while the nursing staff has responded to a need for support and treatment to persons requiring more skilled care at home than before. This is possible through continuing education to ensure competency to meet these needs. The Agency continues to provide physical therapy to a large number of persons in the service area.

MATERNAL AND CHILD HEALTH. The enrollment in this program continues to increase as the economy declines, providing home visits and clinic services to families with preschool children.

ADULT HEALTH SERVICE. In addition to high blood pressure and blood glucose screenings, flu vaccine immunizations and tuberculosis testing, the Agency now has Foot Care Clinics.

The Agency, recognizing the necessity for qualified health personnel, provides a clinical setting to students of health care to enhance and expand their knowledge.

290 units of service were provided to residents of the Town of Newton between January 1, 1982 and December 31, 1982.

Early in the new year, services will be available on a 24 hour, 7 day basis.

The Agency works closely with other health and social agencies to ensure the most comprehensive care possible to the residents of the participating towns. The Agency continues to maintain its Medicare and Medicaid certification and is a member of the Community Health Care Association of New Hampshire and the National Association for Home Care.

The Association relies upon many valuable volunteers who work at the clinics and in the office, in addition to regular staff.

Information may be obtained by calling the Exeter Area Visiting Nurse office, Monday through Friday, 8 a.m. to 4 p.m., 772-2981 or write to 26 Prospect Avenue, Exeter, NH 03833.

BLOOD PRESSURE CLINICS

On the first Thursday of every month, from 10 a.m. to 12 noon, a blood pressure clinic is held in the Packer Meadows Community Building. The pressures are taken by two dedicated registered nurses who are interested in the health of each client.

High blood pressure can be a cause of strokes in people who are completely unaware of their problem. This clinic is free and more people should take advantage of this service, which has been offered for the past 7 years.

Newton residents of all ages are welcome to come to Packer Meadows and take advantage of these clinics. High blood pressure is a common and serious ailment. If transportation is a problem, please call 382-5229.

NEWMARKET REGIONAL HEALTH CENTER, INC.

The Senior Citizen Transportation Service has enabled seniors to remain independent, self-sufficient and active through the provision of transportation to needed services, including medical, shopping and recreational trips. It is the goal of this service to eliminate barriers which frequently obstruct elderly and handicapped individuals from maintaining self-sufficiency.

In 1982, over 605 rides were provided to Newton Senior Citizens. The Newmarket Regional Health Center now has three vans equipped with hydraulic lifts to accommodate individuals confined to wheelchairs. This service is available to Newton residents.

Each dollar appropriated by Newton has enabled the Newmarket Regional Health Center to provide these services to your town. We would appreciate your continued support and would be more than happy to provide any additional information which you may need.

Sincerely,
Ann H. Peters
Executive Director

ROCKINGHAM COUNTY COMMUNITY ACTION PROGRAM, INC.

Rockingham County Community Action Program, Inc., is a private, non-profit agency which has been dealing with the needs of low-income people since 1965. Our activities are of two kinds:
(1) those directed at serving immediate, individual needs, and
(2) those designed to involve communities in developing solutions to meet the specific needs of their local areas.

As an anti-poverty agency, Community Action addresses the needs of the low-income community by providing direct services, mobilizing community resources and encouraging people to advocate on their own behalf. Our outreach efforts are conducted primarily through Community Action outreach centers located in Portsmouth, Seabrook, Raymond and Salem.

While the goal of Community Action remains constant, the specific services offered vary somewhat from year to year in accordance with local needs and the availability of funding.

FUEL ASSISTANCE PROGRAM - 53 Newton residents received \$27,785

Description: The Fuel Assistance Program provided a financial grant of up to \$500 to income-eligible households during the 1981-82 winter to assist with energy-related expenses. Severe hardship recipients also qualified for up to \$150 of additional aid through a supplemental fuel assistance program.

WEATHERIZATION PROGRAM - 7 Newton residents received \$6,179.

Description: The Weatherization Program provides quality materials and a trained staff to weatherize the homes of income-eligible individuals in order to reduce heating costs and conserve energy.

CENTER SERVICES - Newton residents received 249 units of assistance, \$1,032

Description: Center Services include a wide range of services offered by the outreach center personnel, such as information and referral, advocacy, direct client assistance and crisis services.

Total value of assistance received by Newton residents during 1982 was \$34,996.
